The Contract of Insurance and Information and changes we need to know about

The Contract of Insurance

This policy is a contract of insurance between the **policyholder** and **us**. The **policyholder** enters into a contract with us when they agree to take out the policy on the terms and conditions **we** have offered and to pay the premium. It is the **policyholder's** responsibility to ensure that all persons insured are aware of the terms of this policy.

The following elements form the contract of insurance; please read them and keep them safe:

- **certificate of motor insurance**,
- changes to your policy contained in notices issued at renewal,

Section I Loss of or damage to your camper van

Cover

If **your camper van** is lost, stolen or damaged, **we** may, at our option, either:

- pay for **your camper van** to be repaired; or
- replace **your camper van**; or
- pay in cash the amount of the loss or damage.

If **we** elect to repair **your camper van**, **we** may **use** parts which are not supplied or made by the original manufacturer. If any part of **your camper van** is obsolete, **we** will not pay more than our reasonable estimate of what was the manufacturer's list price (when it was last available for purchase) plus an appropriate fitting charge.

The same cover applies to **accessories** and spare parts relating to **your camper van** while these are in or on **your camper van** or while in your private garage. **We** will, however, pay for loss or damage to **your camper van's** audio equipment which is away from **your camper van** or private garage if such equipment is designed to be removable or partly removable, cannot function independently of **your camper van** and has been temporarily removed for purposes of security or maintenance. Fitted audio/communications equipment and portable telephones whilst connected to a power source in **your camper van** are included up to a total value of £500. If **we** know that **you** are still paying for **your camper van** under a hire purchase or leasing agreement **we** will pay any claim to the owner described in that agreement. Our liability under this section will then end for that claim.

If **your camper van** is disabled through loss or damage insured under this policy **we** will pay:

This rescue service also applies when an accident occurs in the Republic of Ireland – ring 1800 535005
- the onward transmission of any messages on your behalf to a member of your family or a friend.

In providing accident recovery assistance **we** will **use** reasonable care and skill when providing the service. **We** can, however, cancel services or refuse to provide them if, in our opinion, the demands made are excessive, unreasonable or impracticable.

16. **Theft** or attempted **theft of your trailer** whilst detached from **your camper van** unless **your trailer** is fitted with a proprietary hitchlock; or a wheelclamp of a proprietary make which surrounds part of the tyre and covers at least one of the wheelnuts.
17. **Thefts** not reported to the Police.

Section I (cont.)

- a hire car of up to 1600cc for 24 hours subject to the hirers terms and conditions. This free period of hire must commence within 48 hours after **your camper van** was damaged, and excludes fuel costs, parking fees or fines; or
- overnight accommodation for the passengers and driver up to a maximum of £150 in total. This does not include, however, the cost of providing meals or drinks; or
- a refund of the cost of public transport for the driver and passengers to reach the end of their journey subject to a maximum of £150. **You** will need to produce receipts in order to claim this.

If **your camper van** has been stolen and not recovered arrangements will be made to provide alternative transport up to a total value of £150 in order to complete the journey.

New camper van replacement

We will replace **your camper van** with a new vehicle of the same make and specification (subject to availability) if within 36 months of purchase new by **you** or **your domestic partner**:

- any repair cost or damage covered by the policy exceeds 70% of its list price (including VAT) at the time of purchase: or
- **your camper van** is stolen and not recovered.

This replacement vehicle benefit ceases once **your camper van** has recorded more than 15,000 miles

Replacement is subject to:

- **you** or **your domestic partner** are the first registered keeper of **your camper van** or **you** or **your domestic partner** are the second registered keepers of **your camper van**, if **your camper van** has been pre registered in the name of the manufacturer or supplying dealer, providing at the time of purchase by **you** or **your domestic partner**, the mileage was less than 250 miles.
- Vehicles sold as 'ex demonstrators' and 'nearly new' do not qualify for replacement under this section.

Uninsured driver promise

If the driver of **your camper van** is involved in an accident caused by an uninsured driver, **we** will refund the amount of any **excess you** have had to pay. **We** must be provided with the:

- vehicle registration and the make/model of the other vehicle, and
- the other vehicle's driver's details

This promise only applies where the driver of **your camper van** was not at fault for the accident.

Agreed Value

Where this endorsement is shown on your **Policy schedule** the following will apply in the event of a claim under Section I, Loss of or damage to **your camper van**:

The defined term **Market Value** will be replaced by **Agreed Value**

Agreed Value is the amount agreed between **you** and **us** at the start of the **period of insurance** representing the value of **your camper van**, including any **accessories** and spare parts.

In the event of a claim under Section I, Loss of or damage to **your camper van**:

- The most **we** will pay will be the **Agreed Value**.
- Where **your camper van** is stolen and not recovered or is deemed a total loss **we** will pay the **Agreed Value** minus any **excess**. If **you** choose to retain the salvage of **your camper van** **we** will determine its value and deduct that amount from the **Agreed Value** before **we** pay **you**.

Vehicle Condition

The **Agreed Value** is based upon the declaration of vehicle condition made by **you** at the start of the **period of insurance**. In the event of a claim, where the condition of **your camper van** is materially different than as described by **you** **we** may choose to settle on **market value** at the time of loss if this is lower than the **Agreed Value**.

Salvage

In the event of a total loss claim **you** will, where legislation permits, be offered the opportunity to retain the salvage subject to deduction of the policy **excess** and an agreed deduction for the salvage.

Section I (cont.)

Excesses

Policy excess

If **your camper van** (including its **accessories**) is accidentally damaged, **you** will have to pay the first £200 of the cost. If **your camper van** is being driven by a person aged under 21, **you** will have to pay the first £500 of the cost.

If loss or damage is caused by **fire** or **theft**, **you** will have to pay the first £200 of the cost.

If the premium for **your camper van** has been based on a selected annual mileage as shown in your **policy schedule**, **you** will have to pay the first part of any claim for loss or damage, as indicated below, where this annual mileage limit is exceeded

Mileage exceeded by Up to 1000 miles	Mileage exceeded by More than 1000 miles
£350	£600

If the premium for **your camper van** has been based on **your camper van** normally being kept overnight in a locked garage or on your driveway or your private land, in the event of a **theft**, checks will be made as to the location of the vehicle. If it is established that **your camper van** is NOT normally kept overnight at the stated location **the insurer** may, without prejudice to other rights to void cover or reject the claim outright or increase the **excess** payable for any loss or damage to £400.

These excesses apply in addition to any other voluntary or other compulsory excesses that may apply

	Yes	No

If **you** are only claiming for loss of or damage to the glass in **your camper van's** windscreen, sunroof or windows, or for any scratching of the bodywork arising solely from the breakage of glass, the excesses shown above in this section will not apply.

You will, however, have to pay the first £75 of the cost of glass replacement. This **excess** for glass:

- overrides any other general **excess** that would otherwise apply to glass claims.
- will not apply when the glass is repaired rather than replaced

to country but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate, spare parts are often not available, etc.

Breakdowns on continental motorways

If **you** break down on a continental motorway use the roadside emergency telephones.

You cannot normally call **RAC** Control Centres from these. **You** will be connected to the police or authorised motorway service, who will send a breakdown recovery vehicle. In France the same procedure applies on motorway service areas. **You** may have to pay labour and towing charges on the spot and an authorised tariff is normally applicable.

However, this will only be to the recovery company's own depot in the case of any tow. These items are covered and **you** should obtain a receipt to claim a refund on your return home. If **you** are towed from a motorway contact the **RAC** Control Centre as soon as **you** can if possible from the recovery company's depot Cover in Europe.

Remember: Always carry all vehicle and insurance documentation when driving and never leave it in an unattended vehicle. If **you** are unfortunate enough to require Breakdown and/or Accident Assistance, please **use** these telephone numbers:

You should be aware that the RAC does not operate services in Israel, Iceland, Morocco or Tunisia. In these countries you are advised to pay for the services you receive yourself. Upon your return to the UK you should initiate a claim for the costs to be reimbursed by contacting RAC European Support on 0330 159 0342. All claims must be supported by valid receipts. general

conditions

general conditions apply to the whole of your policy

Claims procedure

1. As soon as reasonably possible after any accident, injury, loss or damage, **you** or your legal personal representatives must telephone **us** giving full details of the incident. Any communication **you** receive about the incident should be sent to **us** immediately. **You** or your legal personal representatives must also let **us** know immediately if anyone is to be prosecuted as a result of the incident or if there is to be a fatal injury enquiry
2. **You**, or anyone else claiming under this policy, must not admit to any claim, promise any payment or refuse any claim without our written consent. If **we** want to, **we** can take over and conduct in your name, or in the name of the person claiming under the policy, the defence or settlement of any claim or take proceedings for our own benefit to recover any payment **we** have made under this policy. **We** shall have full discretion in the conduct of any proceedings or the settlement of any claim. The person who is seeking payment under this policy shall give **us** all the relevant information and assistance necessary for **us** to achieve a settlement. It is your responsibility to prove any loss and therefore **we** ask **you** to provide receipts, valuations, photographs, instruction booklets and guarantee cards and any other relevant information, documents and assistance **we** may require to help with your claim.

Cancellation

3. (a) Your right to cancel

Following the expiry of your statutory cooling off period, **you** continue to have the right to cancel this policy and/or any additional cover options provided by Aviva at any time during its term. If **you** do so, **you** will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time **we** have provided such cover.

It is drawn to your attention that short period premium rates will apply during the first year of your policy, on the basis of the table shown below:

Period not exceeding	Percentage of annual premium charged
One month	25%
Two months	30%
Three months	40%
Four months	50%
Five months	60%
Six months	70%
Seven months	80%
Eight months	90%
Over eight months	100%

If **you** decide to cancel after the first year of your policy **you** will be entitled to a refund of the premium paid, subject to a deduction for the time for which **you** have been covered. This will be calculated in proportion to the period for which **you** received cover, and Comfort Insurance will also charge a fee of up to £25.00 (plus Insurance Premium Tax where applicable) to cover **the** administrative costs.

(b) **Our right to cancel**

We (or any agent **we** appoint and who acts with our specific authority) may cancel this policy and/or any additional cover options provided by Aviva, where there is a valid reason for doing so, by sending at least 7 days' written notice to your last known postal and/or e-mail address setting out the reason for cancellation.

Valid reasons include but are not limited to the following:

- Non payment of premium. If premiums are not paid when due **we** will write to **you** requesting payment by a specific date. If **we** receive payment by the date set out in the letter **we** will take no further action. If **we** do not receive payment by this date **we** will cancel the policy and/or any additional cover options provided by Aviva from the cancellation date shown on the letter.
- Where **we** reasonably suspect fraud.
- Where the **persons insured** fail to co-operate with **us** or provide **us** with information or documentation **we** reasonably require, and this affects our ability to process a claim or defend our interests. See the 'Claims procedure' section of the General Conditions in this policy booklet.
- Where **you** have not taken reasonable care to provide complete and accurate answers to the questions **we** ask. See the "Contract of Insurance and Information and Changes **we** need to know about" section in this policy booklet and the separate 'Important Information' notices supplied.

If **we** cancel the policy and/or any additional cover options provided by Aviva under this section **you** will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time **we** have provided such cover, unless the reason for cancellation is fraud and/or **we** are legally entitled to keep the premium under the Consumer Insurance (Disclosure and Representations) Act 2012.

If **we** cancel the policy **we** will also charge a fee of up to £25.00 (plus Insurance Premium Tax where applicable) to cover **our** administrative costs.

Important Note: The Consumer Insurance (Disclosure and Representations) Act 2012 sets out situations where failure by a **policyholder** to provide complete and accurate information requested by an insurer allows **the insurer** to cancel the policy, sometimes back to its start date and to keep any premiums paid

Where **our** investigations provide evidence of fraud or a serious non-disclosure **we** may cancel the policy immediately and backdate the cancellation to the date of the fraud or when **you** provided **us** with incomplete or inaccurate information, which may result in **your** policy being cancelled from the date **you** originally took it out.

Other insurance

4. If at the time of any claim arising under this policy there is any other insurance policy covering the same loss, damage or liability, **we** will only pay our share of the claim. This condition does not apply to personal accident benefits under Section III which will be paid under that section.

This provision will not place any obligation upon **us** to accept any liability under Section II which **we** would otherwise be entitled to exclude under Exception 1. to Section II.

Your duty to prevent loss or damage

5. **You** shall at all times take all reasonable steps to safeguard **your camper van** from loss or damage. **You** shall maintain **your camper van** in efficient condition and **we** shall have, at all times, free access to examine **your camper van**.

Your duty to comply with policy conditions

6. Our provision of insurance under this policy is conditional upon **you** observing and fulfilling the terms, provisions and **clauses** of this policy.

Fraud

7. If **your** claim is in any way dishonest or exaggerated **we** will not pay any benefit under this policy or return any premium to **you** and **we** may cancel your policy immediately and backdate the cancellation to the date of the fraudulent claim. **We** may also take legal action against **you**.

Payments made under compulsory insurance regulations and rights of recovery

8. If the law in any country in which this policy operates requires **us** to settle a claim which, if this law had not existed, **we** would not be obliged to pay, **we** reserve the right to recover such payments from **you** or the person who incurred the liability.

Direct right of access

9. Third parties may contact **us** directly in the event of an accident loss or damage as allowed under the European Communities (Rights Against Insurers) Regulations 2002. In these circumstances **we** may deal with any claim, subject to the terms and conditions of your policy.

Change of storage location

10. **You** must tell **us** immediately if **you** are intending to store **Your camper van** for a period in **excess** of 48 hours at an address other than the **storage location** disclosed to **us** in **your statement of fact** or at an approved **storage location**. This will not apply if **you** are using **Your camper van** at the time. If **you** fail to notify **us** of any such change of **storage location** **your** policy may be voided or any claim may be declined.

Change of circumstances

11. **You** must tell **us** immediately if **your camper van** belongs to anyone else or is being **used** regularly by another person. **You** must also notify **us** if **your camper van** is up for sale at premises other than **your private address**.

Mileage

12. **We** reserve the right to establish the mileage on **your camper van** at any time where your policy has been rated on a selected annual mileage. Where the annual mileage has been exceeded your premium will be increased to that which applies to that mileage. If **we** become aware that the annual mileage has been exceeded at the time of a claim the additional premium will be deducted from the claim payment. The higher premium will apply from the commencement of the **period of insurance**.

Security devices

13. If the premium for **your camper van** has been based on the vehicle being fitted with an approved security device, evidence of the competent installation of the device will be required if a claim is notified. In the case of tracking devices, evidence of a current air-time agreement will be required.

Long Term Touring & Full Timing

14. This policy is subject to the following conditions:

Policyholders must maintain a full UK residence, either through ownership or long term rental agreement (of at least 9 months).

The address shown on the **policy schedule** must be the one at which the **policyholder** is on the electoral roll, and also the one that appears on the driving licence and vehicle documentation.

Your camper van must at all times have a valid MOT certificate (unless not required due to age of the vehicle) and current UK Road Fund Licence.

Should a copy of a utility bill (as evidence of residence at the address) be requested at any time (inception, mid-term, renewal, in the event of a claim) then one must be provided.

Important Notice – Information we need to know about

15. **You** must take reasonable care to provide complete and accurate answers to the questions **we** ask when **you** take out, make changes to, and renew your policy.

If the information provided by **you** is not complete and accurate:

- **we** may cancel your policy and refuse to pay any claim, or
- **we** may not pay any claim in full, or
- **we** may revise the premium and/or change the compulsory **excess**, or
- the extent of the cover may be affected.

16. Licence Checking

It is **Your** responsibility to ensure that **You** have the correct licence to drive the size of the **Camper van** insured under this **Policy**. **You** must also check the driving licence of **your domestic partner**, or anyone shown on **Your Certificate of Motor Insurance** as being entitled to drive **Your Camper van** and has **Your** permission to drive it and inform **Us** of:

- any convictions noted on the licence
- any provisional licence; and
- any licence issued outside the UK
